Stockton University Contributes to the Well-being of the Community

Ways to Access Community Engagement Projects

Respondents had the following choices from which to select: "The Office of Service Learning," "honor societies," "fraternity or sorority," "Stockton clubs," "internship," "The Stockton Center for Community Engagement," "Athletics," "I have never participated in community engagement while at Stockton," and "other (please specify)." Nearly one third of the sample (28.58%, $n = 156$) access community engagement projects through the Office of Service-Learning and the Stockton Center for Community Engagement. The following graph shows the responses.

Types of Sites at Which Students Have Worked in Community Partnerships

Respondents had 15 choices of types of sites, to select all that apply, at which their students have worked in community partnerships. Among the choices, “education related projects” and “other” were selected the most followed by “health care projects.” “Education related projects” was selected 130 times; “other” was selected 101 times, and “health related projects” was selected 95 times. The following graph shows the responses.

- The following is a sample of responses for “other.”
 - ARC of Atlantic County
 - Make-A-Wish-Foundation
 - Cancer Foundation
 - Veterans Office
 - Funny Farm
 - Political Intervention
 - Awareness Events for Disabling Conditions
 - Research
 - Relay for Life
