

Fieldwork Feedback

As part of the preparation to enter the teaching profession, a student in the Fieldwork experience is placed in an educational setting for a minimum of 80 hours during a course of the collegiate semester. The student's primary objectives are to observe, assist teachers in various capacities, and to teach or team-teach, at minimum, in a whole and small group of students as indicated on the syllabus. Please provide feedback as you can based on the student's experience and performance during your classroom. Thank you.
