NOTES REGARDING STOCKTON UNDERGRADUATES TAKING GRADUATE COURSES FOR CREDIT

Review the following statements and sign below to indicate that you understand and agree to these terms.

- Only Stockton undergraduates who have successfully completed 96 semester hours of graduate credit by the time the graduate course begins will be eligible to enroll.
- Student must have earned at least a 3.2 overall G.P.A. A program may set a higher minimum G.P.A.
- Student may take up to 6 semester hours of 5000 level courses for credit.
- Students must have fulfilled appropriate prerequisites with a passing grade.
- Undergraduates will receive three (3) credits for each course successfully completed.
- As long as the undergraduate student is enrolled for 120 credits, then flat rate tuition will be applied plus an additional graduate course surcharge based on the number of graduate credits being attempted.
- Graduate tuition and fees will be charged for these graduate classes if the student is not enrolled fulltime (12-20 credits) because flat rate tuition does not apply to graduate courses.
- Approval for an undergraduate student to take graduate courses.
