Galloway Township, NJ- The Richard Stockton College of New Jersey has scheduled the annual Audition Days for its Dance Program. The events will take place on Friday, November 30 and Saturday December 1, beginning at 3:30 p.m. in the Stockton Dance Studio, H-Wing on the campus here.

“Our Audition Days are designed for first-year and transfer students interested in majoring or minoring in dance,” said Assistant Professor of Dance Rain Ross. “It is an opportunity for students to learn about our program by taking a class with current students and auditioning for placement into the program.”

The audition consists of a ballet barre exercise and a modern center. Those who audition and one guest are invited to stay for dinner and a performance of student choreography. Space is limited and reservations, which must be confirmed, are required.

To request an audition, please call 609-652-4891 and request the preferred date of the audition (November 30 or December 1) and state whether you will stay for dinner and the performance.
