

I. PURPOSE

To describe the processes and procedures governing fraternities and sororities.

II. PROCEDURES:

- A. The Fraternity and Sorority Life webpage describes the roles, responsibilities, standards of practice, and accountability for fraternities and sororities. This webpage is revised annually by the Office of Student Development.
- B. The Office of Student Development is responsible for updating the standards of accountability. Fraternity and sorority officers will be notified of any changes to the standards of practice and accountability.

Review History:
