

# The Wellness Center

DIVISION OF STUDENT AFFAIRS

## STUDENT HEALTH SERVICES

A registration hold will be placed on your account if you fail to provide appropriate documentation of vaccination or immunity to measles, mumps, rubella and hepatitis B. This hold will prevent any registration activity until it is removed. Students who want to live in campus housing must provide proof of having received meningococcal vaccination in order to receive your key to your campus housing. Students, to whom the requirement applies, will not be permitted to register for classes until showing proof of the meningococcal vaccine.
